Cegl (139) 9-4-13 RL 3) The work in connection with this temple does not appear to have progressed to any extent in spite of the district promise held out after 8th comm. in his letter of 11th Nov. 1911 to complete the work within the official year. He has now submitted a revised estimate increasing the cost by about Rs 800 and this after a lapse of another year. The rates now allowed are reasonable even according to S.P.W. standard and in two cases are stated the more liberal viz in the case of teak wood doors and windows. The revised rates and estimate may be sanctioned. It is a matter for consideration why the work should not be made over to the D.P.W. for ~~construction~~ execution seeing the extraordinary dilatoriness often Rev. dept in getting the work through

On further thoughts it seems to be desirable to leave the work under the control of the Rev. dept. with a direction that the work should be put through expeditiously. The D.C.'s letter under reply shows that the work has been put in hand and further there would be no funds available to meet the cost after establishment charges if the work is to be executed by the D.P.W. It is also understood that the D.P.W are experiencing some difficulty in securing labour and contractors for the work they have already in hand. The revised estimate may be sanctioned and the reply to the D.C. sent for execution

10) Ask the Dy Cr to suggest means of finding the 8000 Rs necessary to transfer the work to the DPW as the estimate is a large one and the Rev Deptt has not been able to do anything.

11) If the Dy Cr thinks that the work can be preferably done by the Rev Deptt, ask him to state the time required. It shd be finished within that & the work will have to be inspected & finally passed by a DPW Offr deputed.

Deputy Commissioner,

Shimoga District.

To

K. R. Sreenivasa Iyengar Esq.,M.A.,

Offg. Secretary to the Govt. of H.H.

the Maharajah of Mysore,

Muzrai Department.

Sir,

Adverting to correspondence ending with Govt. Pro.No. 1975-6-Muz.F.1-08 dated 23-2-1912 re the construction of the temo of Sri Venkataramana devaru temple at Pillangere in the Shimoga Taluk, I have the honor to state that the Contractor to whom the work was entrusted represented that the rates provided for in the estimates prepared for the work by the Public Works Department in 1906 were very low, and that local conditions required that the rates should be raised to enable him to execute the work satisfactorily.

2. A reference was accordingly made to the Executive Engineer, Shimoga Division, in this office docket No.393 dated 6th May 1912 for his opinion in the matter. The Public Works Sub-Division Officer to whom the matter was referred by the Executive

Executive Engineer reported in his letter No. 305 dated 18-6-1912 (copy enclosed for reference) that the increased rates prayed for by the Contractor might be sanctioned under the existing local conditions, and the Executive Engineer expressed in his docket No. 602 dated 21-9-1912 to this office , his concurrence with the opinion of the Public Works, Sub-Divisional Officer.

3. A fresh estimate for Rs. 8902 for the items of work remaining to be done prepared in the light of the opinion expressed in the Executive Engineer's letter No.480 dated 18-6-1911, a copy of which was sent with my letter No. 57/6 dated 19th August 1911 is herewith submitted for favour of sanction. The report of the District Sub-Overseer who was deputed to get up the estimate and the plans of the building, are also submitted herewith.

4. Arrangements have been made to utilise the available building materials on the spot, so as to reduce the cost of the work as far as possible, and to have the work executed under proper supervision.

5. The cost of the work may be met out of the sum of Rs. 8151-14-3 at the credit of the [illegible] institution.

6. I request the favour of early sanction to the enclosed

estimate

estimate, to enable me to get the work which has been put in measured as it progresses and to make payments to the Contractor his work from time to time.

I have the honor to be,

Sir,

Your most obedient servant,

in the first of the Govt orders read above, the work of constructing the kitchen was completed by contractor T. Venkatappa, since deceased, at a cost of Rs 2241-5-1 and that out of this amount only a sum of Rs 2028-11-1 was actually paid to him, the balance of the amount due to him having been foregone by the deceased in ~~the~~ a will executed by him at the time of his death.

one Madura Mudaliyar, who undertook to complete the repairs did his work in ~~such~~ a unsatisfactory manner, ~~and~~ ~~that~~ his contract was cancelled and his claims were settled in the 2nd of the G.O.s read above. So with regard to the repairs of the main building no appreciable quantity of work been done.

2 The work upon the main building has not progressed to any appreciable extent. The contract given to Madura Mudaliar has to be cancelled for that work and his claims were settled in the 2nd of the G.O.s read above.
